Dedication

The Class of 2019 would like to dedicate our yearbook to James Anthony Belanger, a member of the Millbury Jr./Sr. High School Class of 2021. It was with great sorrow that we heard of his passing in early December 2018. James was a proud and dedicated member of the Civil Air Patrol. When we hear his name, not only do we remember his smile, but also the way he could make anyone laugh. He was a very positive kid, and always gave the best advice. James had a passion for sciences, and dreamed of one day being an engineer. Rest in the sweetest peace James; you will be loved and missed by everyone here at MHS. - Class of 2019

Everyone went into the season with their heads hanging low due to losing six amazing seniors last year, but that all changed drastically when we saw that we constantly dominated every game. Though our record may not have shown it, we were one of the strongest teams this year. Being top seed going into Districts was an amazing feeling, and we really thought we could go all the way for the first time that season, but that all ended too soon as we were defeated in a match we should have won in penalty kicks. No matter how sadly it ended, we all walked off the field as a family and will be one forever.

The best way this team could be described is as a family. Everything this past season was done to make us better. The 9 seniors are sad to leave, but enthusiastic to see what this program has to offer in the years to come. Every game was played with our hearts and our best efforts. Having the hardest schedule in history we still managed a positive record and a 7 seed in the tournament. Although we did not get the result we wanted, we won't hang our heads and we will move forward to see what future teams will do in the years to come.

This season was the best season Millbury Varsity Cheerleading has seen since 2009. We started our season with a first place win at the Sheperd Hill Invitational. After that we moved on to our SWCL competition, where we became 2018 Fall SWCL Champions. Winning this title advanced us to Regionals where we fought and came out on top becoming your Regional Champions. Moving on to States we put on a great performance that we are all proud of. Our seniors have lead our team since their freshmen year, and will be missed greatly.

The Millbury Varsity football team had one of the best seasons we've had in a while. We started our season beating BVT, a team who ended up winning the state championship. In the regular season we had 2 loses by a total of 3 points. We made it to playoffs and had a tough rematch against Littleton. We hope to make it even further next season and we will miss our seniors greatly.

This season the girls' cross country team had a strong season finishing as SWCL C champions in our sixth year running. We also finished third overall at the SWCL meet, with two runners finishing in the top ten. At Districts we placed in the top 20 teams. Overall we had a great season and we will miss the three seniors. Best of luck to the underclassmen next year!

Everyone is returning next year, so the team is hoping to place 1st. We continued our performance from last year despite losing our best runner and having a new coach.

The Volleyball team had a tough start this season. We lost 7 seniors the previous year, leaving us with a pretty new team. We also had a ton of injuries throughout the season, but we pushed through and made it all the way to District Finals where we came in 2nd, reaching farther than anyone thought we could. Despite being such a new team, we really came together. Masa Forever!

After only losing one senior last year we still had a solid team. We had a shortened season due to the weather but still had a record of 11-3 and qualified for Districts. In the SWCL tournament at Pine Ridge we finished in a tie for second with Tantasqua. Ryan Tarasiak placed in the top 10 with a 79. In Districts we placed 4th and Tommy Rembiszewski qualified for states. Overall, it was a good season.

The girls' varsity basketball team finished their season 21-2 while winning another SWCL title. The team had only one regular season loss. With their regular season record, they were able to advance to Districts. Unfortunately, they fell short in the semifinal game against Millis. Since there were no seniors on the team, the girls will have a full returning team next year and are looking forward to another great year!

This year has been incredibly successful. We have had one of the best turnaround seasons in the area in recent time. With the help of our five new coaches, we made it back to the playoffs and Clark Tournament for the first time since 2010. We earned the #5 seed in the Clark Tournament and the #10 seed in Districts. Along with the achievements of the past season, we also accomplished another team goal: we established a program foundation for all future Woolies to look up to!

Despite having a small team, we worked hard and had a great, winning season. Our hard work paid off as we finished the season 5-0 in our division. We took home many ribbons at our league meet and sent many athletes to Districts and States. Everyone is looking forward to next year and since we are only losing one senior, we hope to be as successful as we were this year. Best of luck to Emma who is graduating this year.

Winter Cheering

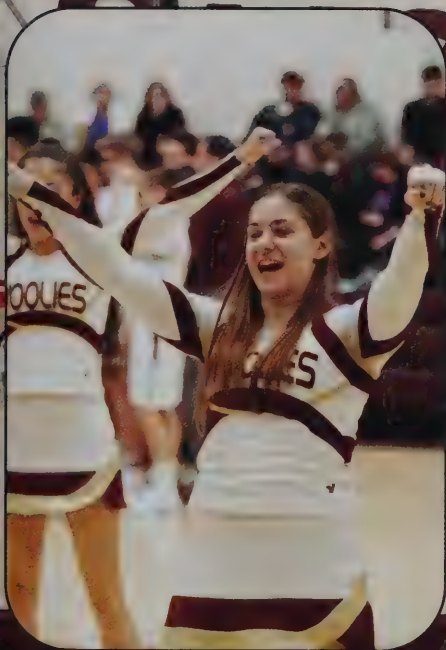

Captains: Sarah Crossman, Jaresa Burgos, & Julia Fortin

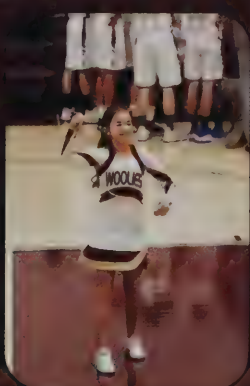

Seniors: Sarah Crossman, Jaresa Burgos, & Julia Fortin

This season has been the most successful season for Millbury Varsity Cheerleading in the last 10 years. Competing with a small team of 7 girls, we had 5 competitions. Starting off at the Shepherd Hill Invitational, we received 2nd place. We then competed at SWCL and were awarded SWCL Champions. Advancing to Regionals and taking home Central Mass Runner Up, we earned a spot in the State Championship. Completing our best performance yet we placed 3rd in the state. For the first time in 10 years we got a bid to represent Massachusetts at the New England Championship. Millbury High school did not have a competitive cheerleading team when our seniors started out but they have since turned the program around. We thank them for all they have done for this program, and leading us for the last 4 years.

**CONGRATULATIONS
TO THE
CLASS OF
2019**

We've found over a million ways to make a difference.

Millbury Savings has been an integral part of the community for more than 160 years. In that time, we've come to believe that to be a good bank, you have to be a good neighbor. That's why we're proud of our long history of giving back generously to the neighborhoods we serve.

Our efforts over the past two decades have included more than \$1.5 million donated to a variety of local organizations that help enrich lives and bring people together.

We're looking out for you.
